

Christmas Meeting: 8th December 2020 (Webinar)

8 December, 2020 @ 1:00 pm - 3:00 pm

Our next meeting will be held online on 8th December between 1 and 3 pm.

We are now delighted to confirm our speaker line-up and look forward to welcoming you on the day to what we expect to be a great scientific session.

13:00 – opening address

13:05 – Dr Sarah Hart (Keele University): “Data independent analysis to measure safety in neural stem cell engineering”

13:35 – Dr Emily Barnes (MRC LMS, London): “Therapeutic implications of lactic acid and membrane transporters in cancer”

14:05 – Professor Ray Iles (MAP Sciences/University of Cambridge): “ ‘Finding broken trees’ – The MALDI ToF approach to examining the CoVID-19 antibody response enigma.”

14:35 – close

Meeting log-on details can be found below.
