

56th LBMSDG Meeting: Thursday 6th May (Webinar)

6 May, 2021 @ 1:00 pm - 2:30 pm

Our next meeting will be held online on Thursday 6th May between 1 and 2.30 pm.

We are now delighted to confirm our speaker line-up, which has kindly been sponsored by **Shimadzu**. We look forward to welcoming you on the day to what we expect to be a great scientific session. A link to the meeting can be found towards the bottom of this page.

13.00: opening address

13.05: Dr Christine Hinz, (Shimadzu): “Exploring non-targeted workflows in high resolution mass spectrometry – how do you find and identify compounds in screening programs with any certainty?”

13.35: Merran Dunford, Student Talk, (University of Bath): “The role of bioactive lipids in the health and disease of the intestine”

14.00: Dr Patrick Sears, (University of Surrey): “Shoe-string – starting a new MS research lab on a budget”

14.30: Meeting Close

Topic: LBMSDG May Meeting

Time: May 6, 2021 01:00 PM London
